

Tri-Fold Brochure (11" x 8.5")

Document Size with Bleed = 11.25" x 8.75"

Safe Guide = Any text or graphics that do not bleed off the edge of your document should be at least 1/8" (.125) away from the Trim Line.

Trim Edge = Final size of your printed piece after cutting. Any backgrounds, text or graphics that bleed off the edge of your document should extend to the Bleed.

Bleed = The extra extension of your backgrounds and graphics beyond the Trim Edge allows for accurate cutting.

Note: The 3 panels are not the same width and art must be designed accurately along the fold lines to open and close properly.
